# Filtration System for Water Dispensers

## Great-tasting water right from your tap!

- A fraction of the cost of bottled water and without the heavy lifting
- Fits all Greenway® water dispensers and most other brands
- Long life, multi-stage filter lasts up to 6 months (800L)
- Reduces chlorine taste and odor, and particulate
- Electronic filter change reminder
- Float ensures NO LEAKS
- System includes 1 long life, multi-stage filter

- ☑ No more heavy water bottles to lift
- ☑ No more stored bottles taking up space
- ☑ Straight-from-the-tap convenience
- ☑ No more spills and leaky messes
- ☑ No more water bottle deposits and delivery services
- ☑ Endless supply of great-tasting water!
